

Protective Chimney Cleaning

Ensure your chimney is not posing a threat to your home with professional chimney inspections and cleaning services from Illinois Valley Insulation.

We'll get rid of any flammable deposits in your firebox and flue and also watch for potential structural problems and other safety issues you need to know about.

Thorough Care for All Parts of Your System

Our chimney cleaning is thorough and effective and covers a range of components in your chimney system. We will clean your firebox and flue, as well as the spark arrester at the top of your flue or chimney pot.

Our services are also available for cleaning the plenum in your ventilation system. Be sure to ask us for details when you contact us or call 815-875-1901.
